

2018 School Camp

Yr 3/4 + Yr 5/6

Log Cabin Creswick + Cave Hill Creek Beaufort

Rationale

The St Alipius Parish School 'Camps and Overnight Stays Program' is designed to enable students to experience a rare combination of factors that create an effective learning environment and provide dynamic opportunities to develop relationships. These activities take participants away from home and the comfortable, relatively predictable rhythm of daily life. Camps and Overnight Stays provide an environment where it is safe to try new things, to enjoy successes and to learn from failures, while maintaining self-esteem.

SCRIPTURAL CONTEXT:

"I have come that you may have life and have it to the full." (John)
